Hamilton Wanderers Sports Club

Just purchase your groceries (as you do every week) then swipe your FLY BUYS card and in doing so you will have helped with fundraising for our club.

(And you still get to keep your FLY BUYS points)

The Wanderers Committee has negotiated an **exclusive** arrangement with **New World Rototuna** that will provide significant funds to support the development of our juniors, to provide top quality coaching for our seniors and to ensure our club has the resources it needs to continue to excel. All we need is for Wanderers households to shop at **New World Rototuna** and this will result in a **donation** to our club to the value of **5%** of your receipt.

For each family/person that spends say \$200 on weekly groceries, our supermarket will give \$10 back to our club. If 50 families do this every week – that's \$500 into the fundraising account!

The scheme will provide us with enough funds to support

- ❖ Resources
- ❖ Coaching
- ❖ Facility upgrades
- ❖ Junior player development
- ❖ Travel
- ❖ Sports gear
- ❖ and much more

Questions & Answer

Q: When are the funds paid out to the club?

A: 4 times per year in the form of New World vouchers.

Q: How does the voucher system work?

A: New World will provide the 5% of the total spend in vouchers which we can then sell to members of the club , to the public for cash or for use by the club for the general running.

Q: I shop at other supermarkets because they are cheaper than New World?

A: New World manager confirmed that there is approximately 8% difference in price between all the supermarkets in Hamilton. After the first payment from New World we will be offering, at certain times, discount vouchers to save you 10% on your shopping. This way you can support your club without costing your family any more money for your groceries.

Q: How long is the scheme going to run for?

A: Both parties have committed to a period of two years with 6 monthly review periods.

Q: How many other clubs or groups are involved in this scheme?

A: None, this is an exclusive arrangement and Wanderers is the only group involved.

Q: Who can be involved in this scheme?

A: Anyone can be part of this fundraising scheme. The only criteria is that you need to be a FLYBUYS member and shop at New World, Rototuna. The more people involved in the scheme the more funds we will earn. Please ask others to become a Wanderers Supporter.

Q: What happens to my FLY BUY points?

A: You will still earn the same FLY BUY points from your grocery spend.

Q: Will my personal details be given to New World?

A: **No.** The only information that will be given to New World is your FLY BUYS numbers so it can be loaded against the club. The forms you complete will be held at the Wanderers club and will not be made available to any other parties.

Q: Does the club still earn funds if I do not use my FLY BUYS card at the same time I buy my groceries?

A: No funds will be earned as the FLY BUY transaction is the method in which your purchases are registered against the club.

Q: Can new members join the scheme after it has started?

A: You can encourage any new members to join at any time through the scheme.

Q: Are there any other benefits from joining this scheme?

A: New World has generously offered members exclusive specials on nominated products and these offers will be emailed or sent to you to give you the chance to save some money. There will also be lucky shopper draws during the year.

Q: What do I need to do next?

A: Complete the appropriate form and give to Jon Marden or Andrew Mckenzie as soon as you can. Make a note in your wallet to remind you to hand over your Fly Buys card when you visit New World. Pat yourself on the back for being so supportive.

The club needs your support so please join the scheme now!
